Perfect Fit was formerly known as OPWDD's Family Care Program.

# EVERYONE DESERVES A CHANCE TO FIND THEIR FIT IN LIFE.

For people with developmental disabilities who live outside the family home, it can be challenging to achieve a true sense of belonging and personal fulfillment.

The Perfect Fit Program provides a safe, natural, family setting for individuals to receive the care and support they need, with the independence to explore their own interests. Perfect Fit's unique residential setting welcomes individuals with warmth, compassion, and encouragement, enabling them to gain a genuine feeling of acceptance through stable relationships and community participation.

## PERFECT FIT: FOR THE INDIVIDUAL

Perfect Fit offers the benefit of a living arrangement where one is an integral and valued member of the home. Here individuals are nurtured and motivated to confidently pursue personal interests at home and in the community, leading to greater self-sufficiency and ultimately a more rewarding life.

## PERFECT FIT: FOR THE FAMILY

The Perfect Fit Program doesn't attempt to replace the care and support of one's biological family; it seeks to extend it. Different than group homes and intermediate care facilities, Perfect Fit matches an individual with a loving family that wants to open their home to them, treating them like one of their own.

## PERFECT FIT: FOR THE PROVIDER

The Perfect Fit Program offers the opportunity for a provider to be part of a growing community of caregivers dedicated to shaping the lives of individuals with developmental disabilities. More than companionship, providers give the gift of inclusion and independence, helping someone to achieve their personal goals and find a true sense of belonging.
